

Premium Fuel Filters

Premium Fuel Filters

When it comes to water and fuel separation, Tinco Tech provides the best. Our filters are pressure tested to make sure they will work and keep on working within the harsh marine environment. Combining that with a 10 micron German engineered filter media, makes them one of the best filtration units available on the market.

Our filter elements suit Mercury®, Evinrude®/Johnson® and Honda® threads. Providing a filter for almost any make and model of marine engine, at a competitive price.

- ✓ **Anti-Corrosive Head**
- ✓ **German Filter Media**
- ✓ **100% Pressure Tested**
- ✓ **Long Service Life**
